BE IT REMEMBERED that on the date approved and entered below came to be considered the allegations against Kathy Anderson, DPM. By letter dated July 27, 2011 the staff of the Texas State Board of Podiatric Medical Examiners (the "Board") gave preliminary notice to Dr. Anderson of its intent to investigate complaints, concerns or reports filed against her. Dr. Anderson was duly notified of the allegations against her and was given the opportunity to present information in rebuttal and to show compliance with the law. Dr. Anderson has cooperated with the staff of the Board.

By her signature on this Order, and upon acceptance and entry of this Order by the Board, Dr. Anderson does hereby waive her right to an administrative hearing before the State Office of Administrative Hearings, and judicial review of this Order. Dr. Anderson understands that she has the option, before signing this Agreed Order, to participate in a contested case hearing under the *Administrative Procedure Act*.

The Board and Dr. Anderson, in order to avoid the expense, delay and uncertainty of a hearing, have agreed to the entry of an order dispensing with the need for further action in this matter. Dr. Anderson agrees to this Order for the purpose of resolving this proceeding. The Board makes the following Findings of Fact and Conclusions of Law and enters this order:

FINDINGS OF FACT

1. Dr. Anderson is licensed as a podiatric physician in the State of Texas (License Number 1603) to practice podiatric medicine and is therefore subject to the jurisdiction of the Board, the Podiatric Medical Practice Act of Texas and the rules of the Board.
2. Complaints were filed against Dr. Anderson, and she was provided with notice of the complaints and with an opportunity to respond to the complaints; to present information to show compliance with the law.
3. Dr. Anderson, as a podiatrist licensed in the State of Texas, must comply with the provisions of the Podiatric Medical Practice Act of Texas, the Board rules and Board orders.
4. The Board conducted random Continuing Medical Education (CME) audits for

- the November 1, 2008 - October 31, 2010 period.
5. Dr. Anderson was randomly selected for a CME audit.
 6. Dr. Anderson acknowledged the "Required CME Affirmation" (November 10, 2010) on the annual license renewal form indicating that she "obtained the required 50 hours of approved CME's that are required by Board Rule to renew her license to practice podiatric medicine in Texas."
 7. Dr. Anderson failed to obtain the requisite 50 CME hours for the November 1, 2008 - October 31, 2010 audit period.
 8. After review of all CME certificates, Dr. Anderson was deemed to be deficient 50.0 hours.

CONCLUSIONS OF LAW

1. Dr. Anderson is required to follow the provisions of the podiatric medical practice act, Texas Occup. Code, §202.001, et. seq., and the associated rules of the Board, 22 Tex. Admin. Code § 371.1, et. seq..
2. Tex. Occup. Code §202.501(a) provides that, "the Board shall revoke or suspend a license; place on probation a person whose license has been suspended, or reprimand a license holder for violating the law regulating the practice of podiatry or a rule adopted by the board."
3. Tex. Occup. Code §202.551 provides that, "the Board may impose an administrative penalty against a person licensed or regulated under this chapter who violates this chapter or a rule or order adopted under this chapter."
4. 22 Tex. Admin. Code §376.3(a) provides that, "any podiatric physician who violates any provision of these rules, or any provision of the Act shall be at the discretion of the Board subject to the following penalties: cancellation, suspension, revocation, or probated cancellation, revocation, or suspension of the license to practice podiatric medicine."
5. The Findings Of Fact numbers 1 through 8 establish that Dr. Anderson violated:
(a) 22 Tex. Admin. Code §378.1(a), which provides in part: Each person licensed to practice podiatric medicine in the State of Texas is required to have 50 hours of continuing education every two years for the renewal of the license to practice podiatric medicine. Two hours of the required 50 hours of annual continuing education (CME) may be a course, class, seminar, or workshop in Ethics. It shall be the responsibility of the podiatric physician to ensure that all CME hours being claimed to satisfy the 50 hour bi-annual requirement meet the standards for CME as set by the Board.
(b) 22 Tex. Admin. Code §378.1(h) which provides: These hours of continuing education must be obtained in the 24-month period immediately preceding the year for which the license was issued. The two-year period will begin on November 1 and end on October 31 two years later. The year in which the 50-hour credit requirement must be completed after the original license is issued is every odd-numbered year if the original license was issued in an odd-numbered year and is every even-numbered year if the original license was issued in an even-numbered year. A licensee who completes more than the required 50 hours

during the preceding CME period may carry forward a maximum of 10 hours for the next CME period. (*Original Audit dates of September 1 through August 31 were changed to November 1 through October 31 to coincide with the renewal cycle. This Change was effective November 5, 2003.*)

(c) 22 Tex. Admin. Code §378.1(k) provides: If the licensee does not comply with the request for CME documentation within 30 days of receipt of the letter, or if the licensee is unable to provide proof of the hours claimed on the annual renewal form, the licensee will be investigated by the Board. If the investigation reveals that the requirement was not met, the licensee may be disciplined. The penalty for non-compliance with the bi-annual CME requirement shall be a letter of reprimand and/or an administrative penalty per violation up to the maximum allowed by law.
